ECHSTM7-320

New Energy Height Voltage Circuit Breaker

Convenient and fast

Green and eco-friendly

Modular internal accessory

Height voltage locations

New Energy Height Voltage Circuit Breaker STM7–		320			630			1250		
Rated current		16A~320A			225A~630A			800A~1250A		
Number of poles		3P								
Rated working voltage Ue AC 50–60Hz		AC380/415V、AC690V、AC800V、AC1000V、AC1140V								
Rated insulation voltage Ui		1200V								
Rated impulse withstand voltage Uimp		12kV								
Power frequency withstand voltage (1min)		3500V								
Rated ultimate short-circuit breaking capacity Icu (kA)	Breaking capacity level	AC380/415V	AC690V		AC800V	AC1000V		AC1140V		
	M	/	60		50	20		12		
	H	100	65		50	30		20		
Rated service short-circuit breaking capacity Ics (kA)	M	/	60		50	20		12		
	H	100	65		50	30		20		
Mechanical life		15000			15000			15000		
Electrical life		5000	3000	1000	5000	3000	1000	5000	3000	1000
Arc distance		50			100			100		
Basic dimension W×L×H		120*200*103			158*325*177			210*340*244		
Instantaneous release		5In or 10In			5In or 10In			5In or 10In		
Reference ambient temperature		40℃			40℃			40℃
